

Call for Summit Speakers

Join us for the second **Prospecting & Outreach Summit**, a full-day virtual event scheduled for November 15th, 2023. Following the resounding success of our inaugural summit last year, we're thrilled to invite you to this year's event, organized once again by BizzBee Solutions.

Why This Summit?

Last year, we had a blast and gained invaluable insights from 12 amazing speakers who shared their expertise and offered valuable business and career advice. The overwhelming response from our attendees motivated us to continue this tradition of knowledge sharing and networking.

About Us

This summit is the brainchild of BizzBee Solutions, a well-established business consulting company specializing in Lead Generation, Appointment-Setting, LinkedIn & Email Outreach and Content Creation. We are committed to fostering growth and innovation in the business world.

What to Expect

Our summit aims to bring together world-famous experts in Sales & Business Development, Prospecting & Outreach, and Growth enthusiasts. It's a rare opportunity to share your expert opinions on hot and trending business topics and contribute to the evolution of modern prospecting.

Topics to Explore

The summit will cover a wide range of topics, including:

1. Prospecting Tools & Automation
2. Outreach Message & Content Creation
3. Outbound Channels: LinkedIn vs. Email vs. Cold Calling
4. Prospecting-as-a-Service (PaaS)
5. Building a Career in Prospecting
6. Enterprise Prospecting and SDRs Best Practices

Join Us as a Speaker

If you have expertise in any of these areas and would like to share your insights, we invite you to be part of our exceptional lineup of speakers. Each speaker will have a 20-minute presentation followed by a 10-minute Q&A session.

How to Apply

Please submit the following information to speaker@bizzbeesummit.com no later than **10th October, 2023**:

- Your contact information (Email, Company Name, Role, LinkedIn, Location)
- One-paragraph topic summary
- Why you'd be a great fit for the summit

We look forward to hearing from you and having you as part of our summit!

Warm regards,

Danco Dimkov,
